

March 20, 2003

The Middlesex Governing Body met in Special Session for the purpose of deciding the amount the town will commit to the Middlesex Elementary School Ball field Project spearheaded by the Southern Nash County Youth Athletic Association.

Members present were Mayor Bobby R. Bissette, Commissioners Harold Meacombs, Luke Robinson, and Larry Daniel. Commissioners Fred Hough and Bascoe Lewis were absent.

Mayor Bissette called the meeting to order at 7:30 p.m. and turned the meeting over to Commissioner Daniel for comment.

Commissioner Daniel referred to a diagram of the proposed ball field, stating the total cost of the project would be \$10,010.00 and noted the Association would like to get started as soon as possible as the season begins in early April. The Association donated \$2,500.00 and is counting on the town and area businesses for the remaining \$7,510.00.

After some discussion, Commissioner Daniel stated that we had less than \$4,000 left in our parks and recreation budget for this year, and that we could take this project into consideration as we begin working on our new budget in April and May. Commissioner Daniel moved to commit \$2,500.00 to the Middlesex Elementary School Ball Field Project at this time. His motion was seconded by Commissioner Robinson and carried unanimously.

Commissioner Robinson moved to adjourn.
