

Middlesex Town Meeting  
June 20, 2019

The town meeting started at 5:00pm Mayor Lewis mentioned we had some health insurance changes. The health insurance had been renewed for the town employees. The changes were the copay for doctors went up \$5.00 from \$25.00 to \$30.00. Also the drug copays had changed so you may pay for them without insurance it may be cheaper. We all should appreciate and thank the commissioners for our raises. Police Department will get new gas cards called wex. The town is growing within 3 years we will have 3 new house subdivisions. Coming in October we can apply again for another grant. We can request new grant items including a public work truck and one more employee for public works. After July when the new budget comes into play we can do some more needed repair work within the town.
